Presentation

Doctor Driss Salhi welcomes you to the pediatric practice at the Hôpital Privé de l'Ouest Parisien, in Trappes. The pediatrician ensures the proper development and good health of infants, children and adolescents. It follows full-term children (monthly check-ups, vaccinations, monitoring of psychomotor development) and premature or post-mature children (low weight, blood problems, respiratory problems). It also treats all childhood illnesses: fever, chicken pox, nasopharyngitis, tonsillitis, measles, bronchitis, mumps, otitis. For any other information, emergencies or reasons for consultation, you can contact the secretariat directly on 01 30 69 45 19.
